

**Directive 2011/65/EU (RoHS II) and 2015/863/EU (RoHS III)  
2012/19/EU (RAEE)**

**Restriction to use certain hazardous substances in electrical and electronic equipment**

With reference to the Directives in object, A.P.I. Srl declares that the products included in its own sales catalogue, DOESN'T fall under the application of the Directive 2011/65/EU and the following, as well as Directive 2012/19/EU relative to the restrictions on the flow of waste by means of recycling policies (WEEE).

However, in consideration of the bans and restrictions determined by RoHS II and RoHS III Directives with regards to some substances deemed dangerous for health and with a view to supplying an analysis tool to their customers, A.P.I. Srl has made an accurate study of the materials used during the production process of their products and are able to declare with regards to such hazardous substances (enclosure 2 of the Directive) as follows:

**Lead (Pb):** in consideration of all exemptions stated at the paragraph 6 of the Attachment n. 3 of the Directive 2011/65/EU and in consideration of the new Commission Delegated Directive of the 1<sup>st</sup> March 2018, any component made in brass, steel and aluminum used by A.P.I. Srl in all supplied products do show a level of lead within the limits determined by the Directives.

**Mercury (Hg):** this substance is not present in any products supplied by A.P.I Srl.

**Cadmium (Cd):** this substance is not present in any products supplied by A.P.I Srl.

**Hexavalent Chromium (Cr 6+):** this substance is not present in any products supplied by A.P.I Srl.

**Polybrominated Biphenyls (PBB) and Polybrominated diphenyl Ethers (PBDE):** any plastic component used by A.P.I. Srl have been declared free of PBB and PBDE.

**Bis(2-ethylhexyl) phthalate (DEHP) (0,1%):** this substance is not present in any products supplied by A.P.I Srl.

**Butyl benzyl phthalate (BBP) (0,1%):** this substance is not present in any products supplied by A.P.I Srl.

**Dibutyl phthalate (DBP) (0,1%):** this substance is not present in any products supplied by A.P.I Srl.

**Diisobutyl phthalate (DIBP) (0,1%):** this substance is not present in any products supplied by A.P.I Srl.

Therefore we can state that all the A.P.I. products are compliant with the above European directives.
